

Swine Excused Absence Form

Please put a check next to the stock show you will be absent from school for. If there is a show that you are going to that is not on the list, please utilize the extra space at the bottom to note it. I will only sign off if the dates are correct and school excusable.

NOTE: only the dates next to each stock show will be excused by the school, all other days missed will need a parent note. The only dates that can be excused are move in/weigh in days through show days for the student showing the animal. Siblings who are not showing will not be excused.
